

# CORONA-B2

The CORONA-B2 pickup we designed for the 5 string Bass, it has the traditional vintage sound with a very effective noise reduction system that enhances the low end bottom and produces sweet highs. The pickup is well balanced over the complete range of frequencies!

We completely shield this pickup, because single coil pickups are traditionally influenced by outside noises. The Corona-B2 pickups are carefully made with heavy Formvar copper wire, Alnico 5 pole piece magnets and a fiber bobbin.

Equipped with 2 wire leads!

Position	D.C.Resistance	Resonant Peak	Spacing	Output Level	Tone Chart:
NECK:	7.5 kohm	6.8 kHz	67.2 mm	MID	
BRIDGE:	8.0 kohm	6.0 kHz	70.4 mm	MID-HIGH
